PROPERTY SUMMARY

Description:

The Wolverton Mountain Cattle Ranch is a premier turn-key cattle ranch consisting of 891.0± acres in north central Arkansas near the community of Center Ridge. The ranch features over 560± acres of pastureland that has been maintained with the utmost care for the commercial beef operation that is being run on the farm. In the last five years, over 60% over the fencing has been replaced and the condition of the pastures has been further improved. The current ownership is operating the ranch with approximately 600 head of cattle on the farm. The two dominant species of cattle are Red Angus and Akaushi that are handled with highest standards to in turn produce some of the best beef in the region. The working physical improvements are extensive, a full listing is provided below, and have been well maintained under the current ownership.

Located in the eastern portion of the farm is a beautiful, custom built executive owner's home, built in 2020, that features four bedrooms with five bathrooms that rests on the edge of the mountain providing stunning views to the east. The home totals 5,085± square feet and features an incredible open concept kitchen & living area. There is also a four-car garage that has a mother-in-law quarters on the second story. A full detailing of this exquisite home is provided below.

The property is a refuge for the deer and turkey hunter with topography ranging from mountainous to the rolling pastures where the cattle graze. Fishing opportunities exist in the six ponds located on the ranch, but predominately in the one located just northwest of the headquarters. Access to the property is excellent via Arkansas State Highway 9, Wolverton Mountain Road, and Austin Road.
